

A Changed my clothes.

Q And when did you have your breakfast or did you have any breakfast?

A The chances are as soon as I came into the house I got my breakfast but I may have had it before I went out, because I am a great hand to go out very, very early in the morning and get my breakfast.

Q Did you get it yourself?

A Always, ever since I have lived there in Lavalette I have got my own breakfast because I get up about the first streak of daylight every morning.

Q Then you went down town, you say around train time; what is train time?

A There is a train goes down about 7.30 in the morning.

Q Daylight saving time?

A Daylight saving time and I went down town about train time; maybe I was there before the train got it; the train brings the mail and the post office is right alongside the railroad station, so I go down there and generally meet the train; sometimes I am there a little after the train, but usually a little before.

Q Well, now, in going down town on this particular
